

Silver threads among the black. An afternoon or dinner gown with an edging illuminated by threads of silver stitched into the fabric.

Bonwit Teller & Co., from Wide World.

Fine ecru filet mesh lace blending softly into the fluttering folds of ecru chiffon makes a billowy dance frock. It is artistically entwined with pastel ribbons.

Bonwit Teller & Co., from Wide World.

A study in white and crystal, the latter making the gown glitter like shining stars. "The long, trailing panels appear like the shimmering tail of a comet," says the designer.

Bonwit Teller & Co., from Wide World.

An imported sport suit with a pleated skirt. The material is a dainty white silk crepe. The jacket is of Chinese lacquer red silk crepe with silver pendants.

MIDSUMMER FASHIONS FOR MILADY

Correctly attired for either polo or a morning canter. The sleeveless coat is of black mohair. The breeches are of white gabardine and the hat is of straw.

Bonwit Teller & Co., from Wide World.

This newest bobbed coiffure was created and is worn by Gloria Swanson, star of the screen world. It is held in place by a strip of silver cloth wrapped closely. A soft switch without a stem is pinned to the top of the head.

An evening gown of gray chiffon. The charm of it lies in its delicacy of color and its simplicity of line. Flowers at the belt are the only trimming.

Underwood & Underwood.

A simple sport frock. The border is embroidered in some of the new colorings, and the material is white crepe silk. A fringed sash is used for the girdle.
